# Orthopaedic Nursing Comprehensive Review Course

Are you considering taking the Orthopaedic Nurse Certification Examination to become an Orthopaedic Certified Nurse (ONC)?

## Course Objectives

- Employ appropriate management tactics to address various orthopaedic diseases and disorders.
- Formulate individualized, holistic care strategies for the orthopaedic patient.
- Differentiate methods to prevent, lessen or treat complications in the orthopaedic population.
- Validate techniques for safe mobilization with assistive devices as appropriate for the orthopaedic patient.
- Evaluate specific education approaches to promote self-care and maximum independent mobility for the orthopaedic patient.

Morristown Medical Center is offering the National Association of Orthopaedic Nurses Certification Review Course.
