National Association of
Orthopaedic Nurses

Orthopaedic Nursing Review Course

Provided by the National Association of Orthopaedic Nurses (NAON)

Hosted by Fairview Health Services

Course Description

Explore how the orthopaedic nurse applies critical thinking skills to assess, plan, implement and evaluate care for the various health issues of adult spine disorders, degenerative joint disease, inflammatory disease, metabolic bone disease, musculoskeletal tumors, pediatric/neuromuscular/congenital orthopaedics, operative orthopaedics, orthopaedic complications and orthopaedic trauma and sports injuries. It is an excellent review for those planning to take the Orthopaedic Nurses Certification Exam and those wanting to enhance their orthopaedic knowledge base. A total of 7.5 ANCC contact hours (Category A) are provided to attendees.

7.5 ANCC Contact Hours

Attendees will be awarded 7.5 ANCC contact hours and a certificate of completion for successfully completing the requirements for this educational activity. Participants must be present for the entire continuing nursing education program and complete the online evaluation in order to receive credit.

No Relevant Financial Relationships

No relevant financial relationships exist for any individual in a position to control the content of this educational activity.

Course Objectives

Degenerative Diseases of the Joints and Spine

- 1 Describe the signs and symptoms, surgical and non-surgical interventions, and nursing plans of care for individuals with degenerative joint disease

Inflammatory Diseases

- 2 Differentiate the clinical signs and symptoms and nursing plans of care for patients with selected inflammatory disease processes

Metabolic Bone Disorders

- 3 Compare treatment options and nursing management of metabolic bone disorders

Pediatric, Congenital, and Neuromuscular Disorders

- 4 Develop therapeutic nursing interventions for children with pediatric, congenital and neuromuscular disorders

Musculoskeletal Tumors: Orthopaedic Oncology

- 5 Create appropriate nursing plans of care (surgical and non-surgical) for patients with musculoskeletal tumors

Orthopaedics in the Operating Room

- 6 Identify nursing plans of care for the orthopaedic patients during the pre-, intra-, and post-operative periods

Orthopaedic Trauma and Sports Injuries

- 7 Describe common traumatic injuries and nursing plans of care for such patients. Determine preventative measures for common sports injuries

The National Association of Orthopaedic Nurses is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider #CEP3432.
