NYU Langone Orthopedic Hospital

Friday, October 25, 2024

8:00am – 4:45pm

Speaker:

Peggy Herzberg,

DNP, RN, ANP, ONC

Provided by the National Association of Orthopaedic Nurses (NAON). There is no conflict of interest on behalf of planners or presenters of this continuing nursing education (CNE) program. Participants must be present for the entire continuing nursing education program and complete the evaluation form before receiving nursing certificates of completion.

Provider approved by the California Board of Registered Nursing, Provider #CEP3432.

The National Association of Orthopaedic Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

## SPEAKER

---

**Peggy Herzberg, DNP, RN, ANP, ONC**  
Medical Consultant for Helen Keller  
National Center

- President of Creative Concepts Consulting Services, providing medical legal consultation on a variety of orthopedic and nursing issues.
- Maintains a private orthopedic practice with Enrico Mango, MD, FAAOS, in Smithtown, NY.
- Past editor for the 2012 ONRC, current editor for the Enhanced Orthopaedic Nursing Course 2.0 and a NAON's Speaker Bureau for more than 15 years.

## COURSE DESCRIPTION

---

This course provides a comprehensive overview of the entire spectrum of orthopedic nursing. In one full day, you will glean the most important concepts and pearls of wisdom needed to care for a broad range of orthopedic patients. This course provides an excellent final review for those planning to take the Orthopedic Nurses Certification Exam or those wanting to enhance their orthopedic knowledge base, and it is a terrific way to provide contact hours for orthopedic nurses.

## COURSE OBJECTIVES

---

1. Describe the signs and symptoms, surgical and non-surgical interventions, and nursing plans of care for individuals with degenerative joint disease.
2. Identify nursing plans of care for the orthopedic patients during the pre-, intra-, and post-operative periods.
3. Discuss signs and symptoms and nursing plans of care for select complications of orthopedic injuries or surgery.
4. Create appropriate nursing plans of care (surgical and non-surgical) for patients with musculoskeletal tumors.
5. Differentiate the clinical signs and symptoms and nursing plans of care for patients with selected inflammatory disease processes.
6. Compare treatment options and nursing management of metabolic bone disorders.

## CONTINUING EDUCATION UNITS

---

The National Association of Orthopaedic Nurses (NAON) will offer **7.5** contact hours for this course. NAON is accredited as a provider of continuing nurse education by the American Nurses Credentialing Center's Commission on Accreditation.
