

Program Target Audience

Nurses and other health professionals who are interested in a comprehensive overview of orthopaedic conditions and diseases. Purpose Explore how the orthopaedic nurse applies critical thinking skills to assess, plan, implement and evaluate care for the various health issues of adult spine disorders, degenerative joint disease, inflammatory disease, metabolic bone disease, musculoskeletal tumors, pediatric/neuromuscular/congenital orthopaedics, operative orthopaedics, orthopaedic complications and orthopaedic trauma and sports injuries. It is an excellent review for those planning to take the Orthopaedic Nurses Certification Exam and those wanting to enhance their orthopaedic knowledge base. Contact hours are provided to attendees.

NAON Orthopaedic Nursing Review Course Topics

- Degenerative Diseases of the Joints and Spine
- Inflammatory Diseases
- Metabolic Bone Disorders
- Pediatric, Congenital, and Neuromuscular Disorders
- Musculoskeletal Tumors: Orthopaedic Oncology
- Orthopaedics in the Operating Room
- Orthopaedic Trauma and Sports Injuries

Course Objectives

- Degenerative Diseases of the Joints and Spine
 - Describe the signs and symptoms, surgical and non-surgical interventions, and nursing plans of care for individuals with degenerative joint disease
- Inflammatory Diseases
 - Differentiate the clinical signs and symptoms and nursing plans of care for patients with selected inflammatory disease processes
- Metabolic Bone Disorders
 - Compare treatment options and nursing management of metabolic bone disorders
- Pediatric, Congenital, and Neuromuscular Disorders
 - Develop therapeutic nursing interventions for children with pediatric, congenital and neuromuscular disorders
- Musculoskeletal Tumors: Orthopaedic Oncology
 - Create appropriate nursing plans of care (surgical and non-surgical) for patients with musculoskeletal tumors
- Orthopaedics in the Operating Room
 - Identify nursing plans of care for the orthopaedic patients during the pre-, intra-, and post-operative periods
- Orthopaedic Trauma and Sports Injuries
 - Describe common traumatic injuries and nursing plans of care for such patients
 - Determine preventative measures for common sports injuries

Contact Hours

The course is a one-day event offering 7.5 ANCC contact hours for each participant who attends the entire course. These contact hours are Category A as designated by the Orthopaedic Nurses Certification Board.

The National Association of Orthopaedic Nurses (NAON) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center Commission on Accreditation (ANCC-COA).

Provider approved by the California Board of Registered Nursing, Provider #CEP3432

In order for attendees to receive their contact hour certificate, they must be present for the full course.
